ABOUT US

SOLEMLUX is a company that not only offers you the best quality window coverings but also safety, support, and innovation, which are at your fingertips when you consult our team. We are one of the fastest-growing companies in Lithuania, with a mission of making our customer's homes more secure, attractive, and protected from excessive sunlight. We care about your comfort at home, in the office and everywhere else.

The company has celebrated numerous birthdays; so, we are confident that we will continue to delight you with the best quality products that meet the needs of even the most demanding customer. When we first started in 2008, we could not imagine how much we would grow. We believe that together with our customers and employees, we will continue to build a future with a higher quality of life for everyone.

Each customer is vital to us, so we provide free consultations to help you find the best fit for your specific room: pleated blinds, day/night roller blinds, horizontal or vertical blinds, Roman blinds and many other products that will improve your life quality. We work diligently and meticulously because we feel a sense of responsibility towards each customer. Put your trust in the products that delight the homes of thousands of Lithuanians!

Visit our shop and choose the suitable curtains online that will not only protect your home but also make it even cosier.
